PARENT WONDERS

Home Visiting Program

Offered through DSC

Our mission is to support child development and enhance the parent-child relationship by coming alongside caregivers to build community connections, strengthen resilience, and empower families to thrive.

WELCOME TO HOME VISITING

At the heart of Parent Wonders, we believe in supporting child development through creative activities, hands-on exploration, and the parent-child relationship. We are dedicated to providing support to families with children, prenatal to three years old.

OUR PROGRAM

- Infant Family Support Specialists (IFSS) complete free bi-monthly home visits
- Builds on family's capacities, resilience, and helps connect to resources
- Completes Developmental Screenings
- Fosters connection and relationship building through parent-child interaction
- Free diapers provided by United Way (As per program availability)

OUR CURRICULUM

Parent Wonders uses the evidence-based model, Baby TALK

- Language and Literacy Development
- Homemade Crafts and Creative Activities
- Physical and Motor Skills Activities
- Social and Emotional Development
- Prenatal Support and Development
- Plus much more!
